

Intro – This is “Holy Week” – from Palm Sunday to Resurrection Sunday
Triumphal Entry/Palm Sunday (Psalm 118) – read [Matt 21:1-11](#)
Disciples find unbroken colt; Jesus entry into Jerusalem ([pix](#))

Many Jewish people thought Jesus will overthrow the Roman govt; bring justice; voice will bring peace; take over the govt; we’re thrilled!! Hosanna! I am trying to imagine more what it looked like back in Jesus time, when everyone came together and praised the Messiah, Jesus!

What if that happened now in 2020? Can’t now with CV; but when out, I really wish something would happen, like song video –

Also this week Wed begins “Passover”. Passover is April 8-16 (8 days). For many years, I’ve believed Christians should learn a lot more about Passover. Refer to Exodus 12; read [Mark 14:17-28](#)

Every year, Franky has gone to a Passover celebration near Dallas – none this year. But recently we were talking about Passover - she interviewed a Deaf Jewish person that became believer in Jesus Christ! Robin Polin is from Oklahoma – and they share a lot of good news!! Because it was done thru internet, some parts are a little blurry – added captions. Watch -

Wrap up – important for Christians to know/remember Passover! History!

Challenge to do 3 things:

- 1) Lord’s Supper – next wk on Resurrection Sunday; get grape juice/bread
- 2) Jewish culture – clean up before Passover. Christian emphasize clean heart first!! Take time to clean our hearts now!! Get rid of sin in our lives! This week! Expert doctors are predicting this will be one of the worst weeks – people get CV; deaths; maybe some of your own friends or family will die; pray now to prepare! Ask God to forgive me; take time to make contacts. Get rid of spiritual dust!!
- 3) Clean your home of dust – time to follow Jewish ways. Starting with me!!

THEN we will truly be prepared for next week – Resurrection Sunday celebration with Lord’s Supper (communion)!!

Prayer – 3 P’s – teach us to [Praise](#), [Passover](#), [Prepare](#) our hearts (rid of sin)
